Take me.

What would it sound like to
extend compassion to yourself?

Take me.

Boundaries are the distance
at which I can love you and me
simultaneously.

Take me.

My love language is when people's
words match their actions.

Take me.

I am strong. I am beautiful.

Take me.

Being honest about
what you feel is not weakness.

Take me.

Never forget how
wildly capable you are.

Take me.

Showing emotions
is healthy and okay.

Take me.

It's a good day to be proud of
how far you've come.

Take me.

Hold on. Keep trusting.
You don't have to be invincible
before you can be strong.

Take me.

You can know peace without
knowing what comes next.

Take me.

It's okay if it takes time for
this mountain to be climbed.

Take me.

It's okay to be
proud of yourself.

Take me.

Be gentle with yourself

Take me.

There is no timeline,
no right or wrong way to heal.

Take me.

If the pain was deep,
you will have to let it go many times.
~Yung Pueblo

Take me.

It is so important to love someone
a little extra on their hard days.

Take me.

Don't absorb criticism from people
you wouldn't go to for advice.

Take me.

You're amazing
just the way you are.

Take me.

You don't have
to be happy all the time.

Take me.

Here's to not giving up,
to daring to trust.
You are worthy of love.

Take me.

How you feel right
now is not forever.

Take me.

You are loved.

Take me.

Finding joy in the waiting
does not mean you are giving up.
It is saying,
"This is okay as I wait for what's to come".

Take me.

There is life to be
lived here in the waiting.

Take me.

Note to self:
you have come so far

Take me.

Let any little sign of progress remind
you that you can do this.

Take me.

One breath at a time.

Take me.

Hope is not the easy choice. Hope demands
courage, persistence, and perserverance.
It demands you
wake up every day and choose it.

Take me.

Being human is not hard
because you're doing it wrong.
It's hard because
you're doing it right.

Take me.

PTSD is a normal reaction to trauma,
just as bleeding is a
normal reaction to being stabbed.

Take me.

Kindness changes everything.

Take me.

When you get tired,
learn to rest not quit.

Take me.

You can totally do this.

Take me.

When you can't find the sunshine,
be the sunshine.

Take me.

Life is short.
Be Kind.

Take me.

Let the world see
what makes you unique.

Take me.

Dear friend,
all along you have been brave,
even when it does not feel that way.

Take me.

You are stronger than you think.

Take me.

Having a soft heart in a cruel world
is courage, not weakness.

Take me.

Be gentle with yourself... things will change
and that's okay. You don't have to make
sense of every single thing today.

Take me.

The world needs you.

Take me.

Don't be too hard on yourself.
You are trying.

Take me.

Some seasons you see growth,
others clear space for it.

Take me.

You're amazing. Remember that.
.

Take me.

The same light you see in others is
shining within you too.

Take me.

Choose to keep going.

Take me.

Be somebody who makes everybody
feel like a somebody.

Take me.

Know that you are
loved for who you are.

Take me.

You make today better.

Take me.

The world is filled with many nice people. If you can't find one, be one.

Take me.

Choose kind over cool.

Take me.

Throw kindness around like confetti.

Take me.

I am worthy of love and
I will love myself no matter what.

Take me.

You are worthy as you are.

Take me.

You are braver and stronger than you think.

Take me.

Try to be a rainbow in someone's cloud.

Take me.

Make yourself proud.

Take me.

It's okay if it's taking longer than you thought.

Take me.

Ignoring your emotions is like being lost in the woods and
hiding your compass from yourself.

Take me.

There is a powerful moment in life when you either decide to tolerate life the way it is or decide to be brave and change it.

Take me.

Talk to yourself like someone you love.

Take me.

It's okay to take a break.

Take me.

Happiness is an inside job.

Take me.

Nothing is stronger than a small hope that doesn't give up.

Take me.

It is enough to do my best.

Take me.

This is what you're going through, not who you are.

Take me.

Progress not perfection.

Take me.

Do it for yourself.

Take me.

You are capable of amazing things.

Take me.

It's okay to not be okay.

Take me.

I know I'm going to get through it. It's just sometimes
I get tired of going through it.

Take me.

Prioritizing your mental health is an act of courage.
